DONORS! YOU TRULY MAKE A DIFFERENCE!  
A FEW THANK YOU'S FROM OUR RECIPIENTS**

*"It means so much to me to know that there are organizations such as the Pasco Education Foundation that are supporting students as they work to further their education.*

*Thank you again for your generosity and support. I hope to be able to give back to the community in my career and help others how you have helped me."*

*"I would like to personally extend my gratitude for selecting me as the recipient of your scholarship. I will be paying for my own college through loans, personal savings and scholarships like these. With the help of this money to support my education, I can focus more on my education rather than my financial needs. I hope that you know that this money is going to someone dedicated and hopeful that she can make a positive change in the world through healthcare..*

*Thank you for putting your trust and support in me, it means more than I can ever say. I will work every day to honor my scholarship donor."*
